F. Campus Experiences

The transition to college can be a challenging one for many students. NC State provides many support services to help students be successful and is seeking to be proactive in reaching out to students that might benefit from that support. In the following section, you will be asked about your social experiences on campus thus far, and about how well you are adapting to college life.

Based on your responses to some of the questions in this section only, your answers and contact information may be shared on a limited basis with other NC State
offices and a staff member may contact you to offer support. Other than that contact, your responses will remain confidential and will only be released in summary format. You do not have to answer any questions that you do not feel comfortable answering.

If you would like to be contacted by a NC State staff member regardless of your responses, you will have the option of requesting that contact at the end of the survey.
